Connected**

Jamie, Sonia, Chris and Tom are the 'Get Connected' Workers from Aspire. They are based in the Turning Point hubs in Oxford, Abingdon, Witney, Didcot and Banbury several days each week.

They are here to help you build your recovery capital and enhance your employment prospects, by supporting you to access work experience, education and training opportunities and participate in social activities.

All of this helps to build your self-esteem, employment skills, self-confidence and your support network.

Aspire is delivering the 'Get Connected' project to support Turning Point's integrated alcohol & drugs service provided from their dedicated recovery Hubs across the county.

Aspire Oxfordshire is a private not-for-profit company limited by guarantee registered in England & Wales under No: 4270053. Registered Charity No: 111 77 26. VAT Registered: 927 7589 66.
